EAL Level 4 Diploma in Project Management (QCF)

QUALIFICATION CODE: 600/6034/7
Do they qualify for funding?
This qualification may be eligible for 18+ and 19+ funding. For more information, please contact the relevant funding authorities.

How are the qualifications delivered?
Competence based qualifications are undertaken in the learner’s place of work.

How are the qualifications assessed?
Assessment is carried out in the workplace, with learners gathering a portfolio of evidence to show their achievements against the standards.

How to register
- Centres need to meet EAL’s approval criteria, and can apply to add these qualifications to their remit online or by completing a paper-based form.
- Employers can apply to become an EAL Centre or access these qualifications through an existing Centre.
- Learners can work towards EAL qualifications through an EAL Centre – such as a college or training provider – in their region.

Why choose EAL?
EAL is the specialist, employer-recognised awarding organisation for the engineering and manufacturing, building services and related sectors. It is the only awarding organisation to invest in the industries it serves and the careers of those who work within them.

Through its long-term partnership with industry and focus on its core sectors, EAL has built unrivalled knowledge and understanding of employer skills needs. This results in qualifications that carry weight and respect with employers and deliver real career benefits for learners.

Overview
Covering the principles and practice of project management, this qualification provides learners with the knowledge and competence equivalent to a first year degree.

Successful learners will:
- develop skills and competencies relating to their specific role
- gain a recognised qualification to support their progress to further learning and greater responsibility in the workplace.

These qualifications are suitable for ...
- learners wishing to embark on a career as a project management professional
- learners wishing to develop key competences that form the basis of a successful career in the profession
- apprentices working towards further professional development through the Association for Project Management (APM) professional qualification schemes.

Qualifications structure
Learners are obliged to complete three mandatory units followed by the achievement of a minimum of a further seventy credits from a choice of optional units.

To view the full qualification structures, please visit www.eal.org.uk

Related qualifications
Successful learners can progress to a number of related qualifications, including those shown below. For the full range of EAL qualifications, please visit www.eal.org.uk

For apprentices EAL also offers Key Skills, Functional Skills and Essential Skills Wales qualifications.
